Dear Cathy:

Thank you very much for your prompt response several months ago to my request of 26 January 1981 concerning the communication cycle of the U.S. Intelligence Community.

I enjoyed our pleasant telephone conversation and feel that I almost know you.

Mr. Richard Helms, the former DCI, was in Memphis recently and I had the pleasure of meeting him.

My interest in National Security remains unabated and enclosed are lists of "Intelligence Books" in my library and also some examples of the results of my research.

I look forward to meeting you in person some day.

Again, I say, thanks...

Sincerely yours,
